

176 Urb Buenavista Guardamar Del Segura Alicante Spain

Buenavista is situated about one mile beyond La Marina on the N332.

On arrival at Alicante Airport, leave the arrivals Hall cross the road to the car park, With the exception of the major car hire companies which operate from the terminal the remainder operate from transit Vans in the right of the car park as you approach.

From the Airport take the N332 in the direction of CARTAGENA (stay on the N332 at all times) you will pass by Santa Pola and go through La Marina.

There is a bypass around La Marina take the first exit in the direction of La Marina Playa's (if you miss the first exit there are a further two but always head towards La Marina Playa's) when you come to the main road turn right go through La Marina past the major set of traffic lights which has a large pottery shop on the right hand corner.

Continue about 1km you should see a garden centre 'Viveros Victor' on your right, shortly after to your left you should see a campsite 'Camping La Marina' shortly after to your right you will see a bar called 'Bar Monseno 1' this is almost opposite the entrance to the Urbanizacion Buenavista, (There are now new signs which light at night) Having turned into Buenavista continue past Bar Monseno II and turn left immediately. There should be plenty of parking at this point on either side of the road towards the end of the pool. Number 176 is clearly marked (see diagram)
